

Eastover Elementary PTA Communications Protocol

Eastover has multiple ways to get information to committees, parents and teachers. The procedures listed below are to help committees get information out accurately and effectively.

It is the responsibility of EVERY committee chair to create flyers, Eastover Express content, determine deadlines, collect sign-ups, etc. and to submit information and event details according to the procedures below.

The Communications Chair has final approval of all PTA related communications and has the right to edit text for brevity or clarity in all communications outlets including: Eastover Express, Tuesday Folders, PTA Website, Marquee, and PTA Bulletin Boards.

If you have questions or need assistance please contact Meredith Sorrell Communications Chair (meredithsorrell@me.com).

Please note: At the request of Dr. Nichols, nothing should go home with students, in Tuesday Folders without being approved by her (or her designee) and no dates should be set on the calendar without her approval.
