

Eastover's Guide to Matching Gifts

Would you like to double the power of your gift to Eastover? Many companies will match charitable contributions their employees give to schools thereby doubling the impact of your donation. *Partner to Play* and *Boosterthon* are both fundraisers that can be enhanced by your matching gift.

When completing your employer's matching gift paperwork, please be sure to select "Eastover Elementary PTA" as the matching gift recipient when submitting a matching request and notify PTA President, Ann-Miller Mattocks (amattocks@me.com).

The following are examples of employers who have matched gifts in the past, as well as some regional employers who may offer this benefit. This list is NOT comprehensive, so we highly encourage you to inquire with your company's HR Department to see if a matching gift is an option to maximize your donation.
